

# Governance & Board

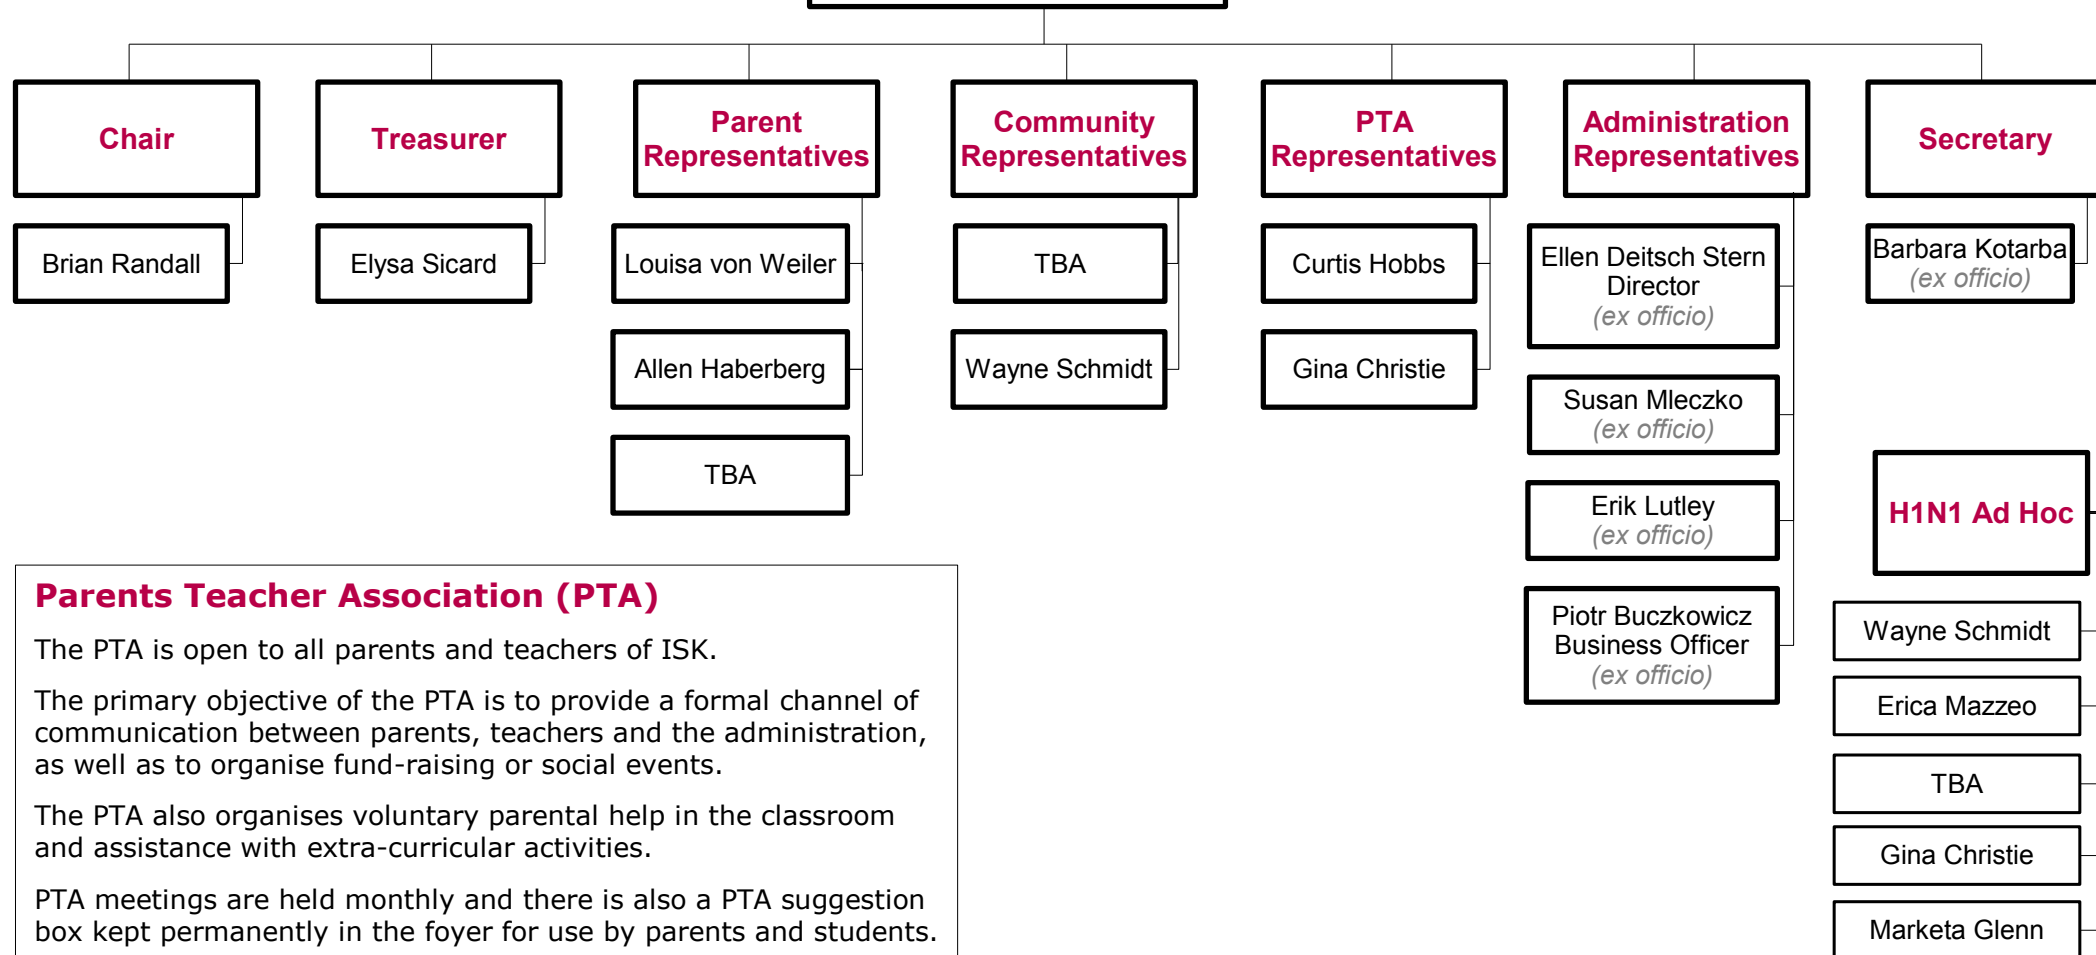

## Academic Year 2009-2010

### Governance

ISK is governed by a Board of Trustees, which is representative of the school's stakeholders and comprises in voting members and additional nonvoting members.

The School Director is an ex officio member of the Board. The Director is appointed by the Board to develop and see an annual operating budget, to hire staff, lead the School in the development and implementation of the educational program and to supervise instruction and general operation of the school. The Director is supported in the task by professional teaching and administrative staff.

### Board of Trustees

### Parents Teacher Association (PTA)

The PTA is open to all parents and teachers of ISK.

The primary objective of the PTA is to provide a formal channel of communication between parents, teachers and the administration, as well as to organise fund-raising or social events.

The PTA also organises voluntary parental help in the classroom and assistance with extra-curricular activities.

PTA meetings are held monthly and there is also a PTA suggestion box kept permanently in the foyer for use by parents and students.
